Dear Mr. Clements:

Your notice to conduct mining related operations on an unpatented mining claim, UMC serial number 357456, located in S/2, Sec. 3, T. 13 S., R. 11 W., SLBM, was received on August 30, 1995 and has been accepted by this office. Your notice has been assigned case file number UTU-072872. Please use this number in any future correspondence concerning this notice.

If you change your operation from what is described in your notice, you are required to contact this office prior to the change. If your operation extends for more than one year, please advise this office on the status of your mining related activity on the anniversary date of your notice.

Enclosed is a copy of the Conditions of Acceptance for BLM Mining Notices, stipulated by the Richfield District, House Range Resource Area. Please follow these guidelines as they pertain to your operation.

A copy of your notice has been sent to the Utah Division of Oil, Gas and Mining (UDOGM); therefore, you will not have to file this notice with them. A copy of your notice has also been sent to the Utah Department of Environmental Quality, Division of Water Quality (DWQ). DWQ should contact you concerning any permits you may need, however their failure to do so does not absolve you from responsibility for obtaining the same.

A permit for explosives may be required from the Bureau of Alcohol, Tobacco, and Firearms (ATF). The address for ATF is

125 South State Street
Salt Lake City, Utah 84145.

If ATF requires a permit, a copy of the permit should be submitted to this office.

If you are selling any materials extracted during your mining activities, the U. S. Department of Labor, Mine Safety and

Health Administration (MSHA) may consider your operation to be under its jurisdiction. We recommend you contact them at:

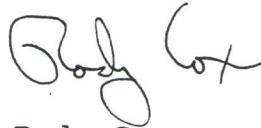

USDOL Mine Safety and Health Administration
1745 West 1700 South Room 2040
Salt Lake City, UT 84104

As required by 43 CFR 3809, Surface Management Regulations, reasonable measures must be taken to prevent unnecessary or undue degradation of public lands and reclamation is required at the earliest feasible time. Please notify this office upon completion of operations and reclamation so an inspection may be conducted on the site. Reclamation under this notice is required to conform to the standards of the Utah Mined Land Reclamation Act.

Acceptance of your notice will not now, nor in the future, serve as a determination of the validity nor ownership of any mining claim included under your notice.

Prior to the commencement of your operations, we would like to meet with you on site to review reclamation practices and initiate a reclamation plan. Please contact this office to arrange the meeting. If you have any questions regarding this letter, please feel free to contact me at (801) 743-6811. Thank you for submitting your notice.

Sincerely,

Rody Cox
Geologist
